Games

Note: This tournament had three different times controls. In the Qualifier, it was Game/29. Not all games were recorded as notating the games was not required then. In the Eliminator Rounds, time control was Game/60. Notating was still not required, but we have all the games in that section. In the Final 4, time control was Game/90, and notating the games was required and of course all those games are available. Of course, none of the games were recorded for the Blitz section. -- Jeff Roland.
