| Pre-Registered Players | 8:00-8:30am | (requested arrival of pre-registered players, check-in not required) |
| Tournament Announcements | 8:40am | (players and spectators asked to attend) |
| Tournament Start | 9:00am | (beginning of first round for all sections) |
- Sections 9 separate tournament sections: K, 1, 2, 3, 4, 5, 6, 7-9 combined, and K-12 Championship
- Format Students under 10th grade compete in their respective unrated grade section. The K-12 Championship section is USCF rated and open to all players, however, students under 10th grade competing in this section are ineligible for grade and team prizes. New and renewal USCF memberships (*required only in K-12 Championship section*) are available onsite. Players competing in the K-12 Championship section are eligible to earn overall state titles and the winner is recognized as the 2008 Idaho Scholastic Champion.
- School team competition will be available in each playing section. Teams consist of all players within an individual playing section that attend the same school. Schools having a minimum of three players competing through all rounds are eligible to compete in the team competition. Standings will be determined by the top four scores from each team.
- For additional detailed description of individual and team eligibility requirements, awards, local rules, and tournament format, see the Idaho Chess Association (ICA) website below.
